Appendix 14-A2
Indemnity Agreement for Energized Electrical Systems

WHEREAS, Sunbelt Controls, will be installing electrical work in close proximity to and/or in contact with live energized parts of electrical equipment, in connection with a subcontract agreement with _____, herein after referred to as Contractor on a subcontract project known as: _____ located at _____ _____.

WHEREAS, it will be to the advantage of the undersigned firm, person and/or company to not de-energize the required equipment to complete the installation, and Sunbelt Controls desire's protection from liability from such risk.

NOW THEREFORE, it is hereby agreed by the undersigned that in the event Sunbelt Controls performs such installation,

The undersigned firms, persons agree as follows:

1. Sunbelt Controls will be in full control of the area in which they are working, limiting access of all non-qualified personnel in the area.

2. To stop anyone from interfering with the orderly prosecution of the installation.

3. To save and hold harmless and indemnify Sunbelt Controls from and against all loss, liability, claims, demands, suits at law, or inequity and judgments (including attorney's fees and all court costs) and awards, regardless of their respective merits, on account of any injury, loss, or damage to any person or property which may be alleged against Sunbelt Controls and which may have been caused in whole or in part by or in connection with the said installation on the aforesaid job by employees or agents of the undersigned.

4. To assume all damages, loss, liability or injury, or the risk thereof, to any employee, property and equipment of the undersigned from all causes whatsoever in connection with the said installation.
